2010 IES GOLF OUTING HOLE SPONSORSHIPS

May 7, 2010

I know that you are all looking forward to the 2010 IES Golf Outing which is scheduled to take place on Friday, June 11, 2010, at The Links at Sunset Ridge. This event has always generated large participation of individuals from the specifier, supplier, contractor & lighting representative communities.

This year we are again providing companies and individuals the opportunity to become more visible in their support for the IES Syracuse Section. Again this year we have available professionally laminated Pin Location Signs, which will bear the IES logo and your Corporate or Individual name listed as a sponsor of that hole in the 2010 IES Golf Outing. Each sign will be prominently placed at one of the tee boxes. Hole sponsorships are available for a donation of \$100 per hole sponsored. In addition to showing your support for IES, the proceeds from the Hole Sponsorships will bring a benefit to local area Students by helping to offset their monthly meeting costs, along with allowing us to bring in IES Educational Speakers throughout the upcoming year at our monthly meetings. Don't be left out of this unique opportunity to show your support for our local IES Section and be more visible to your professional colleagues and customers.

Those Companies or Individuals that would like to become a Hole Sponsor for this year's outing should contact John Domanski by **May 31, 2010**. Checks should be made out to **IES CNY**. You can contact me by phone: 315-425-9093, Extension 259, fax: 315-471-3569 or by e-mail: Jdomanski@chacompanies.com. Please mail completed forms and checks to:
